Become a HCHE Guest Researcher

The HCHE's Guest Researcher Programme enables international researchers to join the HCHE. They are involved in all HCHE activities (e.g. Research Seminar, HCHE Centre Day, HCHE Research Results live) and receive excellent support from the entire HCHE team.

Details:

- Particularly addressed to:
 - Post-doc researchers
 - Scientists who would like to develop a project independently and take over its finance
- Duration: 3-12 months
- We accept 2 guest researchers per year

Requirements:

- Own research project dealing with one of the six key research areas of HCHE:
 - Financing Health Care
 - Economic Evaluations
 - Outpatient and Inpatient Care
 - Pharmaceutical Markets
 - Population Health
 - Big Data & Digital Health
- 2 [HCHE professors](#) advocats
- Existing funding of the research project

For application please contact the respective [chair/institute](#).

If you have general questions about the program, please contact [Andrea Bükow](#).
